Golf Tournament & BBQ

Friday, September 18, 2015

Maplewood Golf Course—Renton

4050 Maple Valley Highway—Renton, WA 98058

If you didn't make it last year.....Make sure you attend this year!

Golf Anyone?

After last year's success, NACM is once again offering a shotgun start so everyone will begin at 8 AM. Start forming your foursomes from your firm, industry group or CFDD chapters. You can form your own foursome or we will add you to one. Even if you are a first-time golfer, the Best Ball Scramble can make you a winner.

Each member of the foursome with the best score will receive a prize. Best Ball Scramble team trophies will be awarded for Best Men's Foursome, Best Ladies' Foursome and Best Mixed Foursome. Prizes will be awarded in both Ladies' and Men's categories for Nearest the Pin and Longest Drive.

Not a Golfer?

You can still join your fellow NACM members at our annual BBQ. The barbecue this year will feature **plated options**. This event will be casual, so the time you wish to participate is up to you.

There will be a hole-in-one award for \$10,000 sponsored by Dun & Bradstreet

Raffle Tickets—Win \$100 Maplewood Pro Shop Certificate

Raffle Tickets are also available for 2/\$5.00 each. The prize – a \$100 merchandise certificate from the Maplewood Pro Shop (Two will be awarded). Need not be present to win! Donations also go to the Alice M. H. McGregor Memorial Scholarship Fund.

How to Play Best Ball Scramble

Each foursome plays as a team. All four players take turns teeing off, then decide which ball is in the best position for the second shot. All players go to that spot (after picking up their balls) and everyone hits from that location. The balls are to be placed for that shot within one club length (except putts) of the selected ball, no closer to the hole. Players continue with the best team shot throughout the tournament. There is one special requirement: Each player must have their ball used as the tee shot three times during the course of the game. The balls are dropped for all shots, except for putts, which are placed at the exact spot of the selected ball. If the selected shot is in a hazard (like a sand trap) then all four balls are shot from within the hazard.
